Seller Rating: . ATaleofthePacificOcean. He was particularly fond of ship-bound stories and spent several well-accounted sailing trips gathering information for later books.

Children's literature has so naturalized this device that we forget how important a narrative innovation it must have been: we may be reminded of its innovative quality by the analogy of an exclusive dogs' club, where pampered pets may watch Dalmatians and other canine classics starring their own kind. In The Coral Island, the "voice of Truth" is heard most insistently in the boys' encounters with the The Coral Island.
