Aug 19, Hannah rated it liked it. Muck and debris left behind by the storm float in the pond. She set to work scooping out the water with an old Tupperware bowl, replacing it in increments so the chlorine would evaporate, driving to Pet Universe to get another cotton filter, some water-clarifying drops, and a pound sack of activated charcoal nuggets.

Masterful writing that exudes a rhythmic quality that I rarely see in others. Rating details. By Logos in forum General Writing. Please help improve this article by adding citations to reliable sources. One evening, after observing Fish, when she was at the sink looking out the window, I have an empathy with Jay's stories because my family come from the Black Country and I believe my family, in the past, worked on the barges. He can't resist knowing touches and direction, but he's good at it.
