Miss Hatfield was a magical old lady, they said. Who's winning the pizza war on campus? Yet her music does not equal ATS's in depth, emotion, technique, rootedness, any of the attributes by which I measure the quality of an act like .

It'sasafebetthatintheircourtshiphewentforhimjustasbrazenlyasallt

His Grand Dragon mentor assaulted a young woman on a train.

And sure, at least half the musicians now working would have their guitars taken away and be reassigned to more useful

work, or shot. The desire to reduce musical styles to their essentials, then grind those essentials to powder, then blow that powder to the winds, all the while declaring your loyalty to those styles, is as American as televangelists, transvestites, and tea parties.
