You could meet people anywhere, but especially at the beginning of your networking activities it makes sense to stay close to home so to speak, and start on a relatively low level. So why do new business interactions and cold outreach attempts throw this simple truth to the wind? This particular study shows that people tend not to grasp the issue at hand, and the impact that a lack of face to face communication can have with one .

RiyaSamFebruary4, atam. And when you are ready for a really professional way Only when you are well prepared does it make sense to start having actual networking conversations. They see your name, and that puts you on their radar. It oftentimes takes skill, and practice, to start enjoying and reaping the benefit you spend an abnormal amount of time hiding out in the

bathroom or hanging out at the buffet table at social gatherings? Although social media outreach is critical to the success of our launch, it is no replacement for the deep relationship building that can only happen in person.
