Small companies offer more opportunities. Years later, I am still using the same approach, and I have found that as well as the professionals, there are many amateurs who are keen to find out how markets work and how to improve their investment performance. Small companies offer more opportunities. Thisbookrevealsthosesecrets, basedonFarleigh'softencontroversialbe The efficient markets theory is, however, largely rubbish, especially in less well-researched corners of the market like smaller companies, and Farleigh proved it years ago when he was trading for Bankers Trust in Australia.
