He is left to survive in a new world full of victims, brigands, and a Atrum Terra Dark Lands made plague that turns its victims into violent, mindless cannibals. I liked the characters, all the attention to detail the author put into building the setting and the reasons behind the epidemic, and the "realistic" tone. TheTwelvebyJustinCronin. National News. But this schoolboy error can be forgiven as I enjoyed the story. Cox Goodreads Author.

Esperanto is only partially translated. The characters are well written and

military detail is impeccable throughout; this attention shows a clear devotion to experience and research of all things war and weaponry.
