One vote for your next project. I used to have my own box hosted at home but I was on a 80mb fibre connection and even then I eventually outgrew it and went the VPS route.

As a result of losing my Google AdSense account, I have been scrambling trying to find a way to monetize my content. I want to focus on the volume and CPC of the keywords, the domain names, and the website layout, content, and monetization methods. Pashminu Mansukhani says:.

Hey Matthew - I started with them a few years ago and it was horrible as you mentioned. You must have no doubts that NerdWallet is making over 7 figures per month. And then what content did you use for your tier 1 links.
