This book would be excellent in my opinion if I could eliminate the above which is contained in the first half of the book, and focus on the second Christian Parenting: Stress Survival Guide. Sometimes the brain can play tricks on us. There are countless ways to try to get a child's attention and to effect change, but here's the truth: unless you deal with a child through his or her heart, you are not likely to see lasting change.

TheChristianParentingHandbookshouldbeoneofthebooksthatyoukeeponyour shelf. The short chapter format makes it a good tool to read together and discuss how you can apply the ideas in your family. This one has a hard edge. They have many tools, workshops and conferences to share with parents and caregivers on how to advocate for these young people.

I thought this was a good, practical and thorough book for newly divorced high school students. I flag comments that clearly need our attention. Taylor Goodreads Author it was amazing 5.
