To really understand some of the mindsets, passions, and mental hurdles that happen in a professional kitchen, you have to have worked in a professional kitchen, and so while Ruhlman may have been hoping to write for a larger audience in general, it is to a more specific, narrow wedge of the population who can get down in there, into the grease stuck between the six-top and low-boy, and actually feel what Ruhlman is saying. It makes me want to go out there and ask to be a dishwasher just to see how his kitchen runs.
