Only in this sense can Orthodox Christian ethical reflection come to some conclusions about these new issues and problems related to bioethics. It is the belief of Eastern Orthodox theology that Orthodoxy and Contraception (Major Works) such an anthropology is consistent with the dignity the Bible bestows on humans as imago Dei. If I were trying to marshal Orthodox theological resources in the support of some use of contraception, I doubt if I could do better than Zaphiris. We must stress the fact that a few non-Christian philosophers took issue with. There is a much bigger problem than a singularly unflattering illustration of the distinction between natural and unnatural use. Sadly, unknowingly, many have embraced the modern notion of post-truth.

What, should I make such a prisoner of myself? How are the Fathers valuable to the Vatican.
