A screening is an anonymous, free, and private way to learn about your mental health and if you are showing warning signs of a mental illness. I would suggest looking up Personality Disorders, narcissism and sociopathy, aka Antisocial Personality Disorder. Bullying is when a person uses force, threats, or ridicule to show power over .

Bromelain, an enzyme from pineapples, allegedly has anti-inflammatory properties. However, early response efforts have increased chronic pain and its consequences, leading to worse outcomes for chronic pain patients that should be addressed as a new public health crisis. You court a certain disdain by choosing to write about hurting women.

A friend of mine once dreamed a car crash that left all the broken pieces of her. This nebulous sadness seemed to attach to female anxieties cultural models of anorexia and cutting and women addicted to male attention. I began to understand it as inherently feminine, and because it was so unjustified by circumstance it began to feel inherently shameful.
