Would you like us to take another look at this review? Jonathan Santlofer is the author of five novels and a highly respected artist whose work has been written about and reviewed in the New York Times, Art in America, Artforum, and Arts, and which appears in many public, private, and corporate collections. The book caught my attention due to the pencil drawings.

Hehassomethinginhismindthathemustconstruct,attachedtoaskullthatsH Showing Well-written with an intriguing plot, if you're a fan of the genre, it's definitely worth a look.
